

**Assignment Title: Ebeye Coastal Protection Engineering Design and Construction Supervision (including Safeguards and Procurement Technical Assistance)**

Marshall Islands- **World Bank** funded project

The Ministry of Works, Infrastructure & Utilities (MWIU) of the Republic of the Marshall Islands is inviting interested firms for the consulting services, **Ebeye Coastal Protection Engineering Design and Construction Supervision** (including Safeguards and Procurement Technical Assistance), to support the project preparation and implementation of the World Bank funded project- **Pacific Resilience Project II**.

The consulting services (“the Services”) include the preparation of final engineering designs, cost estimates and procurement documents, technical assistance during the procurement process for works contract, and construction supervision, including relevant safeguards inputs. The estimated main contract duration is **28 months** consisting of design period plus procurement document preparation of **10 months** and construction supervision of **18 months**. Additionally services are required for a defect liability period of one year.

The shortlisting criteria for the consultancy firm are:

- (i) Relevant experience: provide evidence of multiple similar coastal protection projects (design, value engineering, procurement, construction management and ESIA/resettlement) in similar environments
- (ii) Managerial: provide evidence of sound technical and managerial capability.
- (iii) Corporate: provide evidence of a strong corporate track record and sound financial standing.

Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

Expressions of interest must be delivered in a written form to the address below in person or by e-mail to PREP II Project Manager, at **tony.mellen@gmail.com** and DIDA Procurement Adviser, at **proc\_advice\_rmi@yahoo.com** and cc DIDA Assistant Secretary at **mtarbwilin@gmail.com**, before **5:00 P.M. Majuro time, March 12th, 2019**. The email subject line should state: “Ebeye Coastal Protection Engineering Design and Construction Supervision - full name of the Firm”.

Please include the following:

A thirty-one (31) page limit applies as follows:

- o Twenty (20) pages for the EOI
- o Ten (10) one page experience sheets
- o One (1) page for the Corporate Data Sheet

Each experience sheet shall include:

- (i) Name of the Project
- (ii) Project Donor or Funder
- (iii) Value of the Project in USD
- (iv) Start and end dates
- (v) Names and Positions of company personnel involved in the project
- (vi) Brief Description of the Project
- (vii) Brief Description of how this project is relevant to the proposed Ebeye Project
- (viii) Names and contact details of two referees with direct experience of the project but NOT contractually linked to the firm
- (ix) One photo of the completed works

For the Corporate Experience provide a one page Corporate Data Sheet that includes:

- (i) Name of the Firm
- (ii) Date of Incorporation
- (iii) Value of Company Turnover as per last audited financial statements
- (iv) Registered office location/s
- (v) Names and contact details of at least 4 key Company personnel
